Professional Development Sequence (PDS) in Event Planning and Management

The PDS is meant to enhance the marketability of students who wish to pursue careers in meeting and special event planning. Enrollment in Hospitality and Tourism Administration is not required to complete the PDS. While the PDS itself does not lead to a degree, courses can be counted as approved electives toward the Hospitality and Tourism Administration degree. Students not wishing to pursue a baccalaureate must complete the unclassified undergraduate application.
Professional Development Sequence (PDS) in Food and Beverage Management

The PDS program is meant to boost job opportunities for students interested in management of food and beverage operations. The benefits of this program include opportunities to learn while working, to enhance participant knowledge, and improve opportunities in the work place. It facilitates prospective students to transfer earned program credits to pursue a B.S. degree in Hospitality and Tourism Administration at SIU. The additional advantage is an opportunity to obtain National Restaurant Association ‘ManageFirst’ certification. Students not wishing to pursue a baccalaureate must complete the unclassified undergraduate application.
