

Special Education

The School of Education offers an undergraduate major in special education, which entitles the student to qualify for the State of Illinois Professional Educator License with the Learning Behavior Specialist I endorsement. The special education major prepares teachers to teach students with disabilities, elementary and secondary levels of education receiving services along the full continuum of service delivery options. This program is fully approved by the Illinois State Board of Education and National Council for the Accreditation of Teacher Education (NCATE) and the Council for Exceptional Children (CEC).

To be considered a Special Education major students must meet the criteria for admission into the Teacher Education Program (TEP). Enrollment and completion of Special Education courses does not guarantee admission into the TEP. Students must meet all qualifications to remain a Special Education major and qualify for clinical experiences directed by TEP.

Transfer students must meet University admission requirements to be a Special Education major. Students who are currently enrolled or previously attended SIU in a major other than Special Education may request admission to the Special Education program.

Retention Criteria: There are specific and sequential criteria for a student to be retained as a special education major. All program courses must be completed with a grade of C or better. Other retention criteria include: (a) attainment of an overall grade point average of 2.75, and (b) a favorable endorsement of the special education faculty.

To be eligible for the professional semester (EDUC 401A: Student Teaching) the student must have attained a minimum 2.75 GPA in the major.
